# 2018 CANDIDATE ENDORSEMENT

THE FAMILY POLICY COUNCIL OF WEST VIRGINIA ENDORSES

## **CANDIDATE CHRIS PRITT** **FOR WV STATE HOUSE DISTRICT #36**

April 24, 2018 - The Family Policy Council of West Virginia endorses Candidate Chris Pritt for House of Delegates District #36, in the May 8<sup>th</sup> Republican primary.

Our candidate pre-election survey doesn't let anyone waffle on social issues so most don't have the political courage to even reply. Chris Pritt is the only candidate that scored 100% on our faith and values survey in this Republican primary. It means he's willing to defend the First Amendment right of religious freedom and free speech. And Pritt believes ALL life has value, from conception till natural death.

Every candidate wants more jobs for West Virginia but what good is a job, or even a million dollars from it, if the government can take it all from you in the courts because they don't like your religious beliefs?

**Allen Whitt, President of the Family Policy Council**, on the endorsement of Candidate Chris Pritt, *"District 36 needs Chris Pritt's convictions. We've been sorely disappointed by Republican House members from this district in the past two elections, but Chris Pritt once again gives Republicans and conservatives a chance for a trustworthy voice in H36."*

The Family Policy Council is West Virginia's largest lobbying organization positively impacting laws, lawmakers and if necessary, elections, to defend faith, family and freedom in the Mountain State.
